8) The Dy Commr Tumkur Dt states that the necessary corrections have been made in the declaration statements and fresh statements have been submitted

9) As regards the type of the High School, the DC reports that it is a private one managed by a Committee, in a private building and that there is every probability of it being converted into a Municipal High School. A sum of Rs 13000 is stated to have been collected by public subscriptions and after the acquisition is sanctioned, the construction of the building will be undertaken. The DC requests early sanction to the acquisition as the boys are put to inconvenience for want of accommodation

10) A draft SC is put up for approval or other orders

11) The cost of acquisition is to be met from out of the closing balance of the Municipality. The Municipal resolution in this behalf does not appear to have come up for sanction* Further, though the High School may in future become a Municipal High School, as it is not one yet, it is not clear whether for the present the cost of acquisition is to be treated as a loan to the Institution. Subject - Acquisition of 5 acres of land in Jodi Krishnasagara Agrahara Punigal Taluk - for the construction of High School

Sir,

With reference letter No L 12050/R dated 29 22 12 1947 calling for further particulars on the above subject, I have the honour to state that the discrepancy pointed out has been rectified and necessary corrections have also been made in the declaration statements

As regards the type of High School, it is reported that the High School is a private one managed by a Committee in a private building There is every likelihood of this institution being converted into a Municipal High School Further a sum of Rs 13,000/- is stated to have been collected from the public and soon after the acquisition sought for is sanctioned the construction of the building will be undertaken Collection of funds from the public is still in progress As the boys are put to much inconvenience for want of accomodation, the High School Managing Committee is urging for the acquisition

I, therefore, request that sanction to the acquisition of five acres may kindly be obtained early

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District
